OmniDental Wins 2020 Best Dentistry Award

The Best Dentistry Awards judging panel of industry specialists honored OmniDental with the 2020 Best Dentistry Award for their quality of care and patient satisfaction over the last year.

Competition for the award was high due to the number of dental practices in the area. Several of these practices stood out from the crowd, but OmniDental came out on top.

Partnering with only the best practices, the Best Dentistry Awards works with one winner in each major city throughout the country. This winner is selected annually and receives various perks including an exclusive business listing, a website badge, award certificate, social media graphics, and more.

The Best Dentistry Awards wishes the best for OmniDental in the 2020-2021 season and sincere congratulations on their winning of this prestigious award.
